The WDA Dental Savings Club is NOT insurance, a qualified health plan under the Affordable Care Act (ACA) or a Medicare plan. Neither the Club, nor any sponsoring entity, is a benefit plan third party administrator. The Club provides members with discounts on dental services from participating providers. The plan does not make payments directly to providers; members are required to pay for all services received. Discounts vary depending on the type of provider and services and do not apply to completed services or treatments in progress. A full list of participating providers is available on the WDA Dental Savings Club app. Visit WDAclub.com for details and to join.
